

## WELCOME TO RADIATION ONCOLOGY

As a patient, you may have many questions and concerns. Your radiation oncology team is here to help you. This sheet identifies who you need to contact for scheduling, medical concerns, emergencies and for the services we provide in Radiation Oncology.

### Contacting the Center

Please call during clinic hours. Contact your nurse with any medical questions. Your Patient Access Service Specialist can help with scheduling issues. We will respond to your call or email within one business day. Remember to bring all your diagnostic films/CDs and pathology slides that were done outside of Cooper with you to your appointment.
